**SCOPE OF CURRENT NUMBERING SYSTEM**  
 All boats defined as watercraft by the Ohio Revised Code 1547.01 are to be numbered. Documented vessels are excluded from numbering.

**\*TOTALS:**  
 Commercial Passenger: 137  
 Commercial Fishing: 40  
 Commercial Other: 390

**TOTAL BOAT REGISTRATIONS:** There are a total of 400,509 numbered recreational vessels and 477 numbered commercial vessels for a total of 400,986 numbered vessels. Each registration is valid for three boating seasons. Approximately one-third of the registrations expire March 1 of each year. In addition, there are 39,065 alternative registrations, 2,418 documented vessels, and 7,549 livery vessels registered for a total of 450,018 registered vessels.

Note: The definition of personal watercraft as detailed in the NASBLA Model Act for Personal Watercraft (approved 9-21-05) was used to determine the cut-off length (16 feet) for a personal watercraft versus a jet boat (motorboat).

I Certify that to the best of my knowledge and belief, the data above are correct.
