

# STOP AQUATIC HITCHHIKERS!™

Prevent the transport of nuisance species.  
Clean all recreational equipment.

[www.ProtectYourWaters.net](http://www.ProtectYourWaters.net)

Before launching and before leaving:  
**CLEAN, DRAIN, DRY!**

Check your boat for aquatic invasive species:

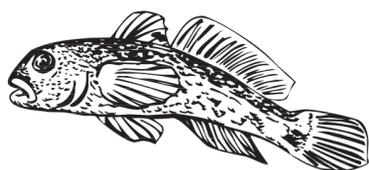

Zebra & Quagga Mussels

Hydrilla

Spiny Water Flea

Round Goby

- Remove mud, plants, fish and animals
- Eliminate water from equipment (e.g., bilge and live wells)
- Clean and dry anything that contacted water
- Never release plants, fish or animals (including bait) unless they came out of that body of water
